

# **Job Openings – Marble Creek Farmstead (Sylacauga, AL)**

Contact: Matthew Lawrence, 205-936-6120

Last updated: 4/22/2016

Marble Creek Farmstead is a family farm located in Sylacauga, AL. We raise pastured chickens, pork, beef, lamb, goat, duck, turkey, and rabbit. We also have a large egg business. In addition, we raise about on acre of vegetables for market gardens. We sell most of our foods directly to the consumer via farmers markets and a pasture-raised meats CSA. We also sell some of our products via a number of wholesale channels. In addition to our farm we also own a USDA processing facility located in Pell City Alabama where we process all of our meats including poultry.

Open positions include: farm manager, vegetable gardener, poultry specialist, and/or livestock manager. Compensation is based on experience (Starting rate is at least \$10/hr for no experience). Room and board is available for qualified applicants.

## Responsibilities (depending on role)

- Assist with daily feeding and care of animals
- Move portable electric fencing from one field to the next for the animals
- Collect, wash, and pack eggs
- Assist with loading of animals for processing
- Assist with unloading of meat into walk in freezers
- Assist with preparation for meat box delivery
- Assist with loading for farmers market
- Plant, prune, harvest large variety of vegetables and heirloom melons from garden
- Wash, pack, and prepare for produce for markets

## Knowledge and Experience

- None required though experience and/or education preferred

## Requirements

- Must be able to lift 50 lbs.
- Most have legal work status.
- High school diploma/GED equivalent required
- Valid driver license required
- - This positions requires an employee who can work standing outdoors for 8 hours a day, 5 days a week
- The main location for this position is at the farm in Sylacauga, Alabama
