

Don't miss this opportunity to be a part of *Graze: Huntsville*, ASAN's annual farm-to-fork picnic benefit celebrating the best in Huntsville food! More than 20 farmer-chef pairs collaborate each on a single dish, which they serve in sample sizes to picnickers as they graze from table to table in Apollo South at The Orion.

Graze: Huntsville creates collaborations between area farmers and chefs who are equally committed to quality, craft, and to growing a rich, locally rooted food system. What grows from these collaborations is nothing short of food alchemy! Add in a little live music, good company, and Sunday afternoon vibes, and you've got a serious celebration.

Approximately 400 diverse participants from Huntsville and Northern Alabama will come together for an evening to enjoy the fruits of our dynamic local food system, while raising funds for ASAN's work to support that same local food system year-round. Don't miss this chance to show your support for Alabama farms, Alabama food, and Alabama communities!

By sponsoring *Graze: Huntsville* you show support for your neighbors who, like you, are working to build and sustain their communities and to make Alabama a healthier, more equitable, and more prosperous place to live. Sponsors gain recognition from an audience passionate about supporting people, organizations, and businesses who give back to their communities – an audience that appreciates and supports high-quality craft, stewardship, innovation, and service, whatever forms they might take.

About ASAN: ASAN's mission is to deepen relationships between the people of Alabama, the food we eat, and the place we live, in order to cultivate a more resilient agriculture system for Alabama. Find out more at <http://asanonline.org> and on Facebook and Instagram @ASANonline.
